

3.5T7 MultiLite for your Home Deliveries

MultiLite is a multi-temperature isothermal body designed for combined delivery systems with a **great variety of goods** (fresh and frozen products, ice cream, dairy products, beverages, etc.). Modern **eutectic equipment** allows to simultaneously transport different temperature products, therefore reducing your fuel costs and increasing the efficiency of your logistics. MultiLite is **ideal for home deliveries** as it has a combination of separate compartments with different inside temperatures.

Technical specifications

Manufacturer

Carlsen Baltic

Chassis type

Mercedes-Benz Sprinter, WB 3665 mm

External dimensions

L3568 x W2060 x H1644 mm

Operating temperature

- chilled compartment: +2 to +7 °C
- deep freeze compartment: -35 to -18 °C

No of doors and foldable transportation boxes

(internal box dimensions: 550 x 360 x 300 mm, volume: 67 l, weight: 3 kg)

7 doors on the right side for driver's safety:

- chilled compartment: 5 doors, 57 boxes (3.70 m³)
- deep freeze compartment: 1 door, 4 boxes (0.26 m³)
- dry compartment: 1 door (0.53 m³)

Support of operating temperature

10–12 h

Average pull-down time

(ambient temperature: +20 °C)

5–6 h

Payload

up to 900 kg

Total body weight (including subframe)

up to 800 kg

Eutectic plates

Stainless steel

Thickness of insulating material

60 / 90 mm

Compressor

Copeland Scroll (installed in upper left side of the body and accessible through a hatch in the roof)

Shelves material

Aluminum

Transportation box

Electrical supply	3-phase; connection according country requirements
Door lock	Central lock with remote control (2 pcs) and common key for all doors (4 pcs)
Color	White, as per chassis manufacturer's colour code
Interior lighting	LED lights

Additional equipment

- Foldable transportation boxes
- Courier trolley
- Rear parking sensors
- Rear view camera
- GPS system for temperature and movement control
- Advertising panel with glass window
- Side LED lighting
- Custom color
- Vehicle wrapping (decorations)

* depends on configuration
